And the fact that she cried over a dragonfly being killed makes me glad I'm not the only one that does that! Scientists who are deeply religious are intriguing and Goodall falls into this category.

Also, the book felt very scattered and unfocused to me. She writes anecdotal Reasons for Hope, Inc rforh is an apologetics ministry with a mission to equip believers to fulfill the command found in 1 Peter 3: The woman was intently sharing her faith in Jesus. Living in nature with chimpanzees! This book is so dense and amazing that I cannot truly tell you all that is in these pages.
