How is that possible? I do understand that most interviews are lame-enhanced.

If you agree that the best hires are those who can first identify problems accurately is an HR Blog – Probably they are all HR people ... I see another creeping in – Now poor candidates will be subjected to video interviews cheeky promotion in a post below ... an interview is stressful enough so we are now trying to make it harder with awkward video interviewing and stupid questions. The article is simple to provide sample questions that allow you to observe and understand the applicants way of thinking, articulating their thoughts and how they problem solve.
