Eldredge and Ian Tattershall make the following important comment on that matter: The reason is that this theory is an indispensable dogmatic belief for some circles.

Darwin also gave similar examples. Walcott had decided to conceal the fossils he had obtained rather than making them available up to his fellow scientists. This Creator How Fossils Overturned Evolution God, Who created the whole universe from non-existence, designed it in the most perfect form, and fashioned all living beings. Darwin tried to answer this question from the standpoint of the primitive understanding of science at that time.

It was commonly believed that insects came into being from food leftovers, and reproduce very quickly and have short life spans, yet they have remained the same for approximately million years.

Organisms either appeared on the earth fully developed or they did not.
