Not what everyone believes but I think those events are very thought provoking. Her grief is poignantly expressed- from the sense of unreality as events unfold on the other side of the world; to the see-sawing of hope that her husband is still alive and acceptance that he is dead; to the fury of shopping for baby equipment without her husband. It's led to some strange situations.

Show252550All.Andintheloo,adifferenttoddlerofferingfromWilliam. But inside Elizabeth's uterus was a very different legacy to a life now over: Her story offers hope that there is a way through the worst experiences - not with quick-fix solutions but by moving deep within yourself to bring about complete healing and recovery.
