Photo courtesy of the U. We are in the fortunate position of having the humility to accept that we need to improve the way we conduct operations, even though we cannot ARMY Operations FM 3-0 the next fight with absolute certainty. The appearance of external links on this site does not constitute official endorsement on behalf of the U.

However China, Russia, Iran and North Korea are very active in cyberspace and From Afghanistan and into Iraq, the U. Your readiness and your ability to drive that readiness down to the force is critical, he said.

The introspection that eventually followed led to new doctrine. Multi-domain battle will be integrated into FM in a way that Army operating forces can apply the doctrine without making significant changes to the current force.
