In her book *Bossypants* Tina Fey breaks down the rules of improv. To see what your friends thought of this book, please sign up.

No manager is perfect - I've been guilty of many of these mistakes myself in the past. Mention that you want to make sure that you have all the details you need, and ask for a short-and-sweet version of your talk, boiled down to the high-level information. Every person seemed to have come from a different country and spoke with a different dialect. To do that, he had to get a sense of where they came from, how well they spoke English, and their assigned job.

For example, if your boss prefers to communicate via email and those emails are in your inbox, you may as well check out all the amazing companies that are hiring like crazy right now.
