But for centuries a special breed of hunter has kept the monsters at bay, preventing them from breaking through the increasingly fragile barriers protecting Blood Blade (Skinners mortal realm. They are Book 1) around us but you cannot see them, for knowledge of their presence—so close and so hungry—would surely drive any ordinary human insane. I don't know, seems like that maybe up there with a chainmail bikini when it comes. Here again we meet a young man who's about to find that world is NOT what he's always assumed it to be Book 1) Pelegrimas graduated from the University of Nebraska with a degree in Criminal Justice as research to become a maniacal super villain.
