Heart of a Dog, by Mikhail Bulgakov. The very name of human whose organs were used a thief Chugunkin derives from Russian word for cast iron. It also has a less multi-dimensional cast and a more single-themed, malicious humor.

He practiced medicine, specializing in venereal and other infectious diseases. When some kind soul offers you a place to call home are you going say, "No thanks, brother; I prefer the gutter"? He practiced medicine, specializing in venereal and other infectious diseases, from to he later wrote about the experience in "Notes of a Young Doctor. There was a problem filtering reviews right .

On the other level, it is a cautionary warning about what happens when power can nip and tuck our way around our flaws, but humans inevitably are always their own disastrous downfalls and worst nightmares. In this surreal work by the
