This book wasn't as good as the other books in this series. Cold Case by L. Jeff Resnick hardly knew his well-heeled half-brother.

It only talks about the printing they. He has been a victim of a mugging and now... Two seemingly unrelated events that suddenly converge with deadly results. Apr 23, Nuala Raftery rated it it was amazing. Don't miss this one!

This time I wanted to shake him and tell him he is worth all the caring his brother... Titel sollte mindestens 4 Zeichen umfassen. Apr 16, Jeannie and Louis Rigod rated it it was amazing.
