It is the same with a new dance move or learning anything new. There are three main depths of trance: I was impressed with her passion for her work, her ability to explain the fundamentals of the process with clarity and simplicity, and her ability to tease out the issues with care and consideration. It occurred with one person I was working. How deep into trance will I go? You will naturally go to the level of trance that is optimal for you to achieve the results you want.
