Light rye, pumpernickel, or a kaiser roll. Just because in getting it made and pitching it and shopping it around, no one was sort of living with it as much as I was, and I just had a pretty clear vision in my head of what I wanted this movie to look like, particularly the action sequences done as oners, so fortunately I was able to partner with some producers who were willing to let me be a first-time director and wear all these hats at .
