Dain is a cop without a lot of his memory. My introduction to Crimson City! Can Fleur team up with a human copter to solve the crime? The writing is sub-par for the genre, much more in the Harlequin vein than the spy thriller vein. I'm also happy that I didn't notice or therefore read them before I listened to Crimson City!

The cheesy happy ending for the main characters was just the tip of the iceberg. It proved to everyone that she can rule as she was meant to.
