Such great options for buying and selling. No one likes buying clothes online that turn out to be the complete wrong size. Likewise, seeing what others are doing well can give you ideas for your own store. Once you have some clothes, start talking photos. Check out what other sellers are pricing their items. You can then add your own images, colors and content to make it unique to your brand and business.

Once you have your domain name, hosting and a platform to build on, you can start you sell through a marketplace like eBay or Etsy? Make sure you take photos of any labels on your clothing, and take detailed photos of stains or tears.
