Roosevelt's hands were therefore firmly tied. Exactly what British intelligence was doing in the United States was closely held in Washington, and very little had hitherto been printed about it

He then offered his services to the British government. Previous to this, he had been wounded during a gas attack less than a week later and was returned to England to convalesce at Shorncliffe. Don't you have an account?

Churchill was uninterested in the detail of clandestine liaison arrangements. She loved New York and she had lots of friends
