The daughter of a survivor said: In the fall of in a small room in Boston, MA, an extraordinary meeting took place. While legal systems offer a structured means for redressing injustice, they Under the terms of the licence agreement, an individual user may print out a PDF of a single chapter of a monograph in OSO for personal use for details see www. This book is a very moving and personal account of what it means to go through a painful journey and come through the other side with a deep understanding of justice. SubscriberLoginEmailAddress. While legal systems offer a structured means for redressing injustice, they often do not redress the emotional pain, which, left unresolved, is then passed along to the next generation—leading to entrenched ethnic tension and group conflict.
