It makes it very clear why the official report is rife with inconsistencies and the ever present conspiracies. It is necessarily repetitious since the witnesses are all describing the same event in their own words. I had already contributed to the Indegogo Project: Mar23,Ashleyratedititwasamazing. For that, we all owe him our appreciation in his desire to offer a written history of one of our country's darkest days. Instead it is just different moments in time told by over forty physicians There is a lot of repetition and some contradiction in these memories.
