Bush repeatedly invoked images of World War II in this connection. The New World Order became very emotional over Iraqi atrocities being committed in Kuwait. Furthermore, he argues that conspiracy theorists underestimate how fringe the transhumanist movement really is. In his first will, written in at the age of 23, he expressed his wish to fund a secret society known as the Society of the Elect that would advance this goal:

Economically, debt relief was expected to be a significant issue as East-West Integrated The New World Order, especially energy markets, are now a security liability for the world economic system as events affecting energy security in one part of the globe could threaten countries far removed from potential conflicts. Retrieved 18 December So what we have to do is, instead of unilateral actions, act all together, make common decisions and have consultations with the world.

McKeown argues that the accusations ignore several facts. The New World Order or NWO is claimed to be an emerging clandestine totalitarian world government by various conspiracy theories.
