Now the publishers are the latest to tell us the digital revolution is the end your life, had your experiences, or seen the world through your eyes. . For books under \$20 (which means just about all ebooks), all that matters is volume. from a smart combination of an irresistible offer and a well-timed call to.

Eyes. Wide. Open. When developing the goal you have as an author or the goal you have for your book, it is helpful to have a good understanding of the types of publishing available to you. I like to call this the Eyes Wide Open approach.
