Aunt Carolyn had gone missing. There were a few clues but she'd been gone for over five months and the trail grew colder by the day. Where was she? Did she.

A BBC Hausa Service correspondent who was at the scene of a deadly stampede near Mecca, says she has lost her aunt, and some members of her group are.

I assumed my aunt was different. She was stronger than the breast cancer invading her body. She could fight this, a superhero defeating an evil.
