Characters and plot ideas introduced earlier in the piece never really go away. I guess that having been rejected as a Doctor Who serial, being redrafted and made the third part of the Hitchhiker's Guide series sort of makes the story feel a little forced. This may, indeed, bore some readers. In this third installment, there is less of Marvin and more saving-the-universe type action. The friendship between Alex and Mr. Helookedat. In Slartibartfast, ironically, the old retired planet builder's spaceship but first landing on a cricket match, in London only to discover, that the Planet Krikkit, wants to destroy the whole Universe, again
