Write a customer review. If the policy of the enlightened liberal community, led by the US, will be to make mildly authoritarian regimes for example like Russia, my former country to accept a liberal consensus on this liberal community's termsthe project of the liberal hegemony will mean more conflict, we can be sure of. A modus vivendi is probably harder, but, if we understand politics as a process of flexible accommodation between various traditions, is the only way forward.

YoumustbeloggedintoTagRecords.First,inmyview,liberalismcannotbede provides the most systematic statement yet about the theory and practice of the liberal international order, and a forceful message for policymakers, scholars, and general readers about why America must renegotiate its relationship with the rest of the world and pursue a more enlightened strategy--that of the liberal leviathan. So far so good.
