As an antidote to materialism and capitalism, he cannot be bested. I went to the woods because I wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not lived. It was his friend Ralph Waldo Emerson, another inveterate journal keeper, who urged Thoreau to keep a record of his thoughts and observations.

Later, Thoreau converted the pencil factory to produce plumbago, a name for graphite. If you like reading the journals of writers and thinkers, if you are a fan of H.
