This series brought together some of the greatest thinkers in a list of publications that is extremely varied, all with an eye for the latest in scholarship and the most recent developments of ciencia. It is the first voice recorded in the Gaceta Literaria that would condemn Spanish universities for their backwardness, their laxity, and their general failure to produce a new generation or, indeed, any generation, going back hundreds of years of productive, creative, innovative scientists. In addition, in order to substantiate with added certainty the results of the experimentation, there must exist a constant refining of the method by which conclusions are reached and the hypothesis confirmed.

Overtime the poem with accompanying music was accepted by the army and in the first decades of post-war Spain the trend which clearly prevailed when it comes to the Carlist theme was continuation of the wartime-style novels; it was visible in the s but started to dry out and disappeared almost completely in the s. In terms of its overall print run, it was comparable to the Revista de Occidente—about 3, copies were printed of each issue Hernando La Gaceta literaria,
