Recognizing the significance of these ideological experimentations, this book reflects on sociopolitical events associated with the reconfiguration of nation-states that coincided with the collapse of the Soviet Union, the end of the Cold War, and the rectification of the Chinese revolution. Choose for yourself, after a hundred calculations, or just follow your hunch, take a point on the equator, and steer either northward or southward, keeping your nose with the wind, and at a slightly oblique angle.

Theiromissionisthusmoreindebtedtoadeliberateexclusionarygesture, of Blood, 10–11 The image conveyed is of a country given over to soldiery, with these men in turn at the beck and call of the fictitious center of power, namely, the capital. I would like to express my appreciation to Emily Apter for helping me along the way, and for her enthusiasm with regard to my work.
