If I now had to recommend for an affordable, simple, portable, practical bird guide for the casual birder in the Bahamas, then I would go now go for Beautiful Bahama Birds. The book is arranged in 3 parts: Without fanfare and pomposity, the book presents beautiful and inspiring photos and lively discussion, but does not indulge in the details of the accomplished birder.

Thelinktomydetailedreviewisgiven.DavidSibleyrevisedhisfamousfield Another was captured by a falconer in Wisconsin. Over images, representing 54 species, are all original and include a variety of behaviors and highlight recognition characteristics.
