Trivia About The Darling Buds Book ratings by Goodreads. View all 6 comments. Baby Oscar hungrily buried his little I enjoyed this book about a warm, happy-go-lucky family. Filled with a wonderful sense of fun and sensuality, the book also introduces us to memorable characters like the impoverished Brigadier, sprightly spinster Edith Pilchester and the poor-as-church-mice Miss Barnwells, the effervescent Angela Snow who is like a younger, female version of Pop himself and the villains of the strawberry field, Poll and Lil Sanders, and the voluptuous temptress of the strawberry basket, Pauline Jackson. Pop however, has other ideas, inviting him to stay for tea.

Stopped reading three chapters in, because the characters were so unappealing. Definitely use this seller. The story line was odd from meeting this Tax man and having his stay for the weekend to the eldest daughter having a baby and then changing her mind of not having a baby.
