If I may quote from your letter: ". Hundreds descend on Dalston social centre to donate goods for Calais refugees". After reading it, deep in thought, I set out for the Minck cafe on foot, and headed up Rue Royale, the main thoroughfare of Calais-Nord, a part of the city which is almost its own island.

In alone, around 2, forest fires were reported. But competition from the Char

In March French Minister of the Economy Emmanuel Macron warned that should the UK vote to leave the EU in its June referendum the juxtaposed controls arrangements that allow British immigration officials to operate in Calais might be threatened, and that as a consequence the Calais jungle might transfer to Britain. In April The Guardian reported that the "official" and principal "jungle" in Calais was located at a former landfill site, five kilometres three miles from the centre of town, and occupied by 1, of the 6, migrants in Calais.

A reception facility named Sangatte opened and administered by the French Red Cross. Conditions in the other camps were poor, typically without proper sanitary or washing facilities, and accommodation consisting of tents and improvised shelters. Many migrants have paid smugglers to get them to Calais:
