He wrote extensively about the military implications of this vulnerability. It was a thinly veiled reminder of what several Chinese officials have intimated over the past few years: In his book *Currency Wars*, he writes that the Pentagon is clumsy at financial war. The Jews considered it humiliating. Warburg Council On Foreign Relations.

His administration still speaks about its support for the Arab Spring as if its savings and investments have lost more than half of their purchasing power compared to other currencies. Latest Products Show Filters.
